Statement of Johnathan Revells

I Johnathan Revells Am witness to these allegations; There were three or four request forms wrote about AM Enmate causing problems in or cell. There was nothing done about it. Sgt. Threat came down and said that the request were being wrote on the Enmate. And he was not going to move anyone. The results of it was Edwin Dennis And Teddy Houston getting into a fight. They put Mr. Dennis in lockup and did nothing to Mr. Houston. That's what I know about the Incident.
